 - Modular Door station with: Loudspeaker/Mic. TLM 500, mounting frame, Push-button module, and back-box.
 - Entryphone with AC-buzzer, Door opener button, additional button, extendable with ZGO-03, ZER-02 and more.
 - Power-supply / Amplifier in standard housing 6,5 TE, for 35 mm Norm-rail or wall mounting.

SET 101 / 1-family home Door-entry system,
 Exclusive version, existing of:
 - 1 Modular Door station TSM 1, complete, incl. lighting unit
 - 1 Entryphone HT 8802
 - 1 Power-supply / Amplifier NV 800 S (see illustration top left)

SET 102 / 2-family home Door-entry system,
 Exclusive version, existing of:
 - 1 Modular Door station TSM 2, complete, incl. lighting unit
 - 2 Entryphones HT 8802
 - 1 Power-supply / Amplifier NV 800 S (see illustration middle left)

SET 103 / 3-family home Door-entry system,
 Exclusive version, existing of:
 - 1 Modular Door station TSM 3, complete, incl. lighting unit
 - 3 Entryphones HT 8802
 - 1 Power-supply / Amplifier NV 800 S (see illustration bottom left)

SET 104 / 4-family home Door-entry system,
 Exclusive version, existing of:
 - 1 Modular Door station TSM 4, complete, incl. lighting unit
 - 4 Entryphones HT 8802
 - 1 Power-supply / Amplifier NV 800 S (without illustration)

KIT 103.. 108 Door-entry system for the 1- to 4-family home, System NV 800-K with HT 8801 and TS. Door ringing call-, speech- and Door opener function between Door station and Entryphone.
 - Aluminium Door station, anodized or painted, with: Loudspeaker/Mic. TLM 500, Push-button(s) and back-box.
 - Entryphone with AC-Summer, Door opener button, extendable with ZGO-03 or ZER-02.
 - Power-supply / Amplifier in standard housing 6,5 TE, for 35 mm Norm-rail or wall mounting.

KIT 103 / 1-family home Door-entry system,
 Standard, economic version, existing of:
 - 1 Aluminium Door station TS 1, complete
 - 1 Entryphone HT 8801
 - 1 Power-supply / Amplifier NV 800 K (see illustration top left)

KIT 104 / 2-family home Door-entry system,
 Standard, economic version, existing of:
 - 1 Aluminium Door station TS 2, complete
 - 2 Entryphones HT 8801
 - 1 Power-supply / Amplifier NV 800 K (see illustration middle left)

KIT 106 / 3-family home Door-entry system,
 Standard, economic version, existing of:
 - 1 Aluminium Door station TS 3, complete
 - 3 Entryphones HT 8801
 - 1 Power-supply / Amplifier NV 800 K (see illustration bottom left)

KIT 108 / 4-family home Door-entry system,
 Standard, economic version, existing of:
 - 1 Aluminium Door station TS 4, complete
 - 4 Entryphones HT 8801
 - 1 Power-supply / Amplifier NV 800 K (without illustration)
